And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

NOTICE TO CONTRACTORS

Kamloops Electoral District

Bridge Project 710—Trans-Canada Highway, Springhill Drive Overpass, Mile 341.3.

SEALED TENDERS, marked "Tender for Bridge Project 710—Springhill Drive Overpass," will be received by the Minister of Highways in his office at the Parliament Buildings, Victoria, British Columbia, up to 2 p.m. (Pacific Standard time) on Thursday the 8th day of April 1971, and opened in public at that time and date. Contractors are eligible if at the time when the contract is entered into, the contractor was a resident of Canada, or if the contractor is a corporation, it was for a period of at least one year immediately prior to that time incorporated and carrying on business in Canada, or the owners of a majority of the shares of such corporation were resident, for a period of at least one year immediately prior to incorporation, in Canada.

The contract consists of the complete construction, including the supply of 33 prestressed-concrete beams, of a 230-foot four-lane bridge, with two reinforced abutments and two reinforced-concrete piers founded on steel H-piles, prestressed-concrete stringers, and 70-foot-wide concrete deck.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 108, 501 West 12th Avenue, Vancouver 9, British Columbia (telephone 879-7531), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver 9, British Columbia, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond in an amount equal to 5 per cent of the tender price. This bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified

without in any way curtailing or delaying any Departmental project that may be under contract at this date.

The contractor and all his subcontractors shall employ only residents of Canada, and shall refrain from discriminating against any person by reason of his race, religion, or political affiliations.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.
